HANDSHAKE | gwu.joinhandshake.com

Your online destination for all things career related. RSVP for Career Services programs and events, post a resume, On-Campus recruiting, schedule an appointment with your career coach, and much more. Handshake is also the job and internship database for GW.

ENGINEER JOBS | https://engineerjobs.com

Looking for an engineering job? On engineerjobs.com find every engineering job available anywhere on the web without having to register. Search engineering jobs by engineering discipline or location and find 300,000 engineering jobs in the U.S. and Canada.

GOINGLOBAL | https://gwu.joinhandshake.com/articles/6031

GoinGlobal is a leading career and employment resource for jobs and internships that provides expert knowledge on the global job market. The database includes over 80,000 pages of content curated by industry experts, providing country-specific career and internship resources for students interested in working domestically or internationally.

PASSPORT CAREER | https://gwu.joinhandshake.com/articles/4349

Passport Career is your online career resource for exploring opportunities around the world. Whether you are seeking a job, an internship, volunteer work, or are studying abroad, this resource provides extensive guidance, strategies, tools and support to help you make your international career move.

INTERVIEW STREAM | https://gwu.joinhandshake.com/articles/4173

If you’re preparing for an interview or would like to learn more about how to develop your interviewing skills you can use Interview Stream to complete a mock interview or review an interview tutorial.

LYNDA | http://lynda.it.gwu.edu

Lynda.com is a no cost training platform available to the George Washington University community. Lynda.com has thousands of video tutorials and they are adding more every week. Sign in using your NetID (the part of the e-mail address that precedes @gwu.edu) and corresponding password.
ONLINE RESOURCES

LINKEDIN | https://www.linkedin.com

Improve your networking by joining LinkedIn! Manage your professional identity and build and engage with your professional network. Access knowledge, insights and opportunities. Also, be sure to connect with alumni and current SEAS students through the George Washington University page (click ‘See Alumni’ button) and by joining the GW SEAS Career Services Group.

GW STEMWORKS | https://lai.gwu.edu/stemworks

GW STEMworks is a one-stop shop for quantitative and spatial reasoning skills. Whether it’s reviewing algebra or building a new data project, STEMworks can help. To learn more about tutoring, consultation, and workshop services, visit the resource space in Gelman 201 or email stemworks@gwu.edu.

PAYSCALE | https://www.payscale.com

Get paid what you’re skills are worth. PayScale pioneered the use of big data and unique matching algorithms to power the world’s most advanced compensation platform and continues to be the compensation market leader. PayScale helps employees understand the right pay for positions and effectively communicate about compensation.

SALARY.COM | https://www.salary.com

Salary.com is the leading consumer and enterprise resource for compensation data. Millions of individuals and the world's largest brands rely on Salary.com for the most accurate compensation data, resources, and expertise.
